

Reach Parkinson's families who need what you make.

Red Tulip Companion is a free app and website that helps people living with Parkinson's and their care partners take medicine on time, track how they feel and get ready for doctor visits. Launched September 2026 at redtulipcompanion.com, with a Facebook Page and a private Friends & Families group.

Founding sponsor spots

FRIEND

\$49 / month

- Your logo, one line and link in the app's Resources directory
- Listed in the sponsors section of redtulipcompanion.com

PARTNER

\$149 / month

- Everything in Friend
- A sponsor card on the app's home screen
- One feature post a month on our Facebook Page
- A monthly report of views and clicks

CHAMPION

\$299 / month

- Everything in Partner
- First place in your category
- Your offer or discount code shown to families
- Two Facebook feature posts a month

Founding prices are kept for your first 12 months. Month to month, cancel anytime.

Our promises to families, and to you

- We never sell or share anyone's health information. Sponsors see total views and clicks only.
- Every sponsor is clearly labeled "Sponsor," so families can trust what they see.
- Sponsors never appear on medicine, alarm or emergency screens.
- We only feature products and services that help people living with Parkinson's and their care partners.

Let's talk
